BIOGRAPHY

Gary Koffinoff is an ASCAP and SOCAN award-winning composer of music for film and television. He and co-composer Phillip Bennet recently received another **Canadian Screen Award** nomination, "Best Original Music, Drama" for their work on the popular series **Hudson & Rex** (CITY TV/ ION). Gary has also received CSA nominations in 2014, 2022 and 2023. In 2018 he won an **ASCAP Screen Award** 'Top Cable Television Series' and a **SOCAN Award** 'Domestic Television Music, Fiction' for his work on the medical drama **Saving Hope** (CTV/ION TV), and in 2005, he won a **Gemini Award** (now known as the "Canadian Screen Awards"), "Best Original Score for a Dramatic Series" for **Dark Oracle** (YTV). In 2007 he won a **Film & TV Music Award**, "Best Score for a Non-Animated Children's TV Program" for the popular 70-episode **Disney/Family Channel** series **Life with Derek**.

Gary has earned three other Gemini nominations for his work on over 30 films and over 350 series episodes, all composed for a client list that includes: **NBC, Disney, CTV, CITY TV, ION TV, ICF, CMT, Shaftesbury Films** and **Lifetime, & Sony**. Gary and Philip are currently scoring the 7th season of *Hudson & Rex*.

Gary loves working in a wide array of musical styles, from large orchestral scores with live players, (as he did for the feature films *Left Behind II* and *Judgment*), where between 45 and 60 musicians were recorded, to more contemporary, popular styles, and is also a gifted songwriter and vocal performer. Strong, identifiable themes and poignant symphonic arrangements are an integral part of Gary's signature sound, as is his passion for the art of film scoring.
