BIOGRAPHY

Toronto based, multi-award winning composer Mark Korven has had his feet firmly planted in both the dramatic and documentary film and television worlds for over 20 years. He's been nominated for 14 Gemini's, most recently for his work on the acclaimed police drama series, **THE BORDER**. He won the Gemini award for the documentary **A PROMISE TO THE DEAD** and for the series, **A SCATTERING OF SEEDS**. Mark has also been honoured with 8 Genie nominations, winning the award for his score to the feature film, **CURTIS'S CHARM**. Mark has worked with acclaimed directors Deep Mehta, Patricia Rozema and Vincenzo Natale and his music can be heard on CBS, CTV, CBC, EI, PBS, Discovery and BBC. Mark is also a multi-instrumentalist specializing in world music.

Mark's score for highly acclaimed film **THE WITCH** has received high praise at Sundance 2015 and saw a worldwide theatrical release in 2016:

- "Crucial to establishing the film's mood is Mark Korven's something-wicked-this-way-thrums score, which blends eerie choral performances and dissonant strings into an unnervingly cacophonous whole." -Variety
<<http://variety.com/2015/film/reviews/sundance-film-review-the-witch-1201411310/>>
- RogerEbert.com calls the music "unsettling one to the core just in its foreboding tone."
- "Mark Korven's score employs unusual instrumentation in combining 17th century musical motifs with contemporary electronic sounds to sometimes unnerving dissonant effect." -Hollywood Reporter
<<http://www.hollywoodreporter.com/review/witch-sundance-review-766073>>

MARK KORVEN, composer for film, television & games

- "Not enough can be said by Mark Korven's spine-chilling and atonal score that employs obscure instrumentation, from hurdy gurdys, nyckelharps and creaky fiddles, to its most disquieting advantage. Discordant, ghostly qualities send tremors through the heart, and the way Korven knowingly references the percussive chain-rattles of Krzysztof Penderecki's feverish cues is intelligent and remarkably effective." -Indiewire's The Playlist
<http://blogs.indiewire.com/theplaylist/sundance-review-the-exquisite-holy-terror-of-the-witch-will-chill-your-bones-haunt-your-soul-20150124>

Released by Milan Records, the soundtrack album for The Witch was rated in the top-10 iTunes soundtrack albums for 2016. Mark's most recent feature film **THE LIGHTHOUSE** (also directed by Robert Eggers), premiered at the 2019 Cannes Film Festival Director's Fortnight, where it received the Critics' Choice Award – *Best Film of the Festival*.
